

COMMUNICATION REPORT

AI DEBT RELIEF PLATFORM

	Project Name	AI Debt Relief Platform
	Team ID	XXXXXX
	Prepared By	Jathin Maddineni
	Date	11 July 2026
	Max Marks	1 Mark

INTRODUCTION

This Communication Report outlines the communication plan, tools, channels, and records used throughout the development and demonstration of the AI Debt Relief Platform. Effective communication ensured smooth collaboration, timely updates, and successful project execution.

1.1 Purpose

To define the communication strategy and summarize how information was shared among team members and stakeholders.

1.2 Scope

This report covers internal team communication, stakeholder communication, meeting records, and issue escalation procedures followed during the project.

1.3 Stakeholders

- Team Members (Development Team)
- Project Guide / Faculty
- External Evaluators
- End Users (Demo Audience)

COMMUNICATION PLAN

Aspect	Plan
Communication Objective	Ensure clear, consistent and timely communication among team members and stakeholders.
Communication Frequency	Daily stand-ups, Weekly reviews, Ad-hoc updates
Primary Channels	WhatsApp, Email, Google Meet, GitHub
Information Shared	Tasks, Progress, Issues, Decisions, Updates, Reports
Response Time	Within 24 hours for normal queries Immediately for critical issues
Escalation Path	Team Member → Team Lead → Project Guide

COMMUNICATION CHANNELS

Channel	Purpose	Used For	Frequency
WhatsApp Group	Quick Communication	Daily updates, quick queries, reminders	Daily
Google Meet	Virtual Meetings	Discussions, reviews, demonstrations	Weekly / As needed
Email	Formal Communication	Reports, submissions, important notices	As needed
GitHub	Collaboration	Code updates, Issues, pull requests	Daily
Google Drive	Document Sharing	Documents, reports, presentations	As needed

MEETING SUMMARY

Meeting Type	Date	Participants	Purpose	Key Outcomes
Kick-off Meeting	15-06-2026	Team, Guide	Project introduction and plan discussion	Roles defined, plan finalized
Weekly Review 1	22-06-2026	Team, Guide	Review progress and address issues	Frontend module planned, database finalized
Weekly Review 2	29-06-2026	Team, Guide	Module progress review	AI engine integration in progress
Demo Rehearsal	09-07-2026	Team	Demo flow and Q&A preparation	Demo flow finalized, roles assigned
Final Demonstration	11-07-2026	Team, Guide, Evaluators	Project demonstration and feedback	Demo successful, feedback collected

ISSUE COMMUNICATION & RESOLUTION

Issue ID	Issue Description	Reported By	Date	Resolution	Status
ISS-01	Audio file upload failed on large size files	Varshini	18-06-2026	Implemented chunk upload	Resolved
ISS-02	Loan calculation mismatch in some cases	Chepuri	25-06-2026	Fixed formula and added test cases	Resolved
ISS-03	PDF report not generating for long data	Jathin	02-07-2026	Optimized report generation	Resolved

CONCLUSION

Effective communication throughout the project lifecycle ensured proper coordination, quick issue resolution and successful completion of the AI Debt Relief Platform. All communication goals were achieved as per the communication plan.
